

Amendments to the Drawings:

The **Appendix** contains five (5) sheets of publication quality formal drawings that replace the corresponding five (5) sheets of the originally filed drawings. Applicant respectfully submits that no new matter has been added by this amendment.

Remarks

Applicant respectfully requests consideration of the instant application in view of the above amendments and the following remarks.

Restriction / Election

The Examiner has imposed a species election requirement under 35 U.S.C. 121, requiring an election of a single species from the two species illustrated in **Figures 1** and **6** respectively. Responsive to this requirement, Applicant hereby elects the species of **Figure 1**. Claims **1-9**, **11-31**, and **33-39** (i.e. all claims except claims **10** and **32**) are readable on the elected species.

Drawings

The **Appendix** contains five (5) sheets of publication quality formal drawings that replace the corresponding five (5) sheets of the originally filed drawings. Applicant respectfully submits that no new matter has been added by this amendment.

Specification

The specification has been amended to replace "forward cover 50" with -- forward cover 76-- at lines 4-5 of paragraph [0014] (two occurrences) and at line 6 of paragraph [0016], so as to be consistent with **Figures 1**, **5** and **6** of the drawings, and with the specification at line 3 of paragraph [0022]. Applicant respectfully submits that no new matter has been added by this amendment.

Summary and Conclusions

The specification has been amended to amend a reference sign, so as to provide for consistent reference to the drawings. Responsive to the species election requirement, the species associated with **Figure 1**, upon which read claims **1-9**, **11-31**, and **33-39**, which Applicant respectfully requests be examined in the instant application.

Respectfully Submitted,
